Dear Mr. Dalton:

Subsequent to our review of those claims submitted by the Forest Service we identified two claims requiring some minor changes prior to their being processed. Enclosed you will find a copy of each original claim along with a typed claim for each which were completed with information taken from the other documents.

Concerning the claim on snow melt in Blue Canyon, you should verify the township and range for the place of use and point of diversion. On the claim for water from Big Flat Spring please review the nature and period of use under Item 3. If you find the above items correct on the typed claims, have them signed in the presence of a notary and return them to this office for the necessary processing.

Since the filing fee for these claims has already been received there is no additional money required.

Respectfully submitted,

Ernest Carlson
