Re: Permit No. G-31785

Sam E. Eddins
1375 Vernon Ave.
Idaho Falls, Idaho

Dear Mr. Eddins:

During the 1967 session of the Idaho Legislature, certain amendments were made in the law pertaining to the procedures for making proof of beneficial use of water. In order for the Department to comply with these changes, Rules of Practice and Procedure were adopted on August 1, 1968. Generally, these procedures and the amended law make it simpler for a person to make proof and relieve the permit holder from making separate proofs of completion of works and beneficial use of water.

The enclosed order modifies your permit to comply with these rules and regulations. As a part of the new procedure, you will be required to publish a notice at your expense for two consecutive weeks in a paper as prescribed by the Department, stating that you have been issued a permit and are now submitting proof of beneficial use. RE: Permit G-31785

Sam E. Eddins
% Zane Eddins
Montevieu, Idaho

Dear Mr. Eddins:

This is in reply to your letter of October 6, 1966, regarding the additional land covered by the above numbered permit. You can amend the permit to cover this additional ground, however, if you do you will lose your priority date of March 20, 1964, to what ever date we receive the amendment. If you desire to keep the earlier priority you can file a new permit for the new ground using the same point of diversion.

We are enclosing an amendment form and an application form for your use. Either way is satisfactory to our department. The fee for the amendment will be \$1.00.

Very truly yours,

M. RUSSELL BOSCH

Amendment to land list

Dear Sir -

On March 20, 1964 - we made application for permit to drill an irrigation well for our desert entry land. Permit No. G 31785 was issued us on the same date.

We had filed for final proof on the desert entry. We have also purchased the 160 acres adjoining the south side of our entry. We are irrigating the entire 320 acres from this well (Permit No. G 31785).

We were told by Mr. Menger of the Idaho Falls office we would have to file an amendment to this permit. Will you please inform us of the correct procedure.
