RE: Application for Transfer No. 5834/68517 for Right
Nos. 31-2307A, 31-2408A and 31-7095A

Dear Mr. Woodard:

This above transfer application has been pending final review for an extensive period of time and now we find that final decrees have been issued for the rights involved.

The decrees were issued exactly as the transfer application proposed the rights to be modified. Since the decreed rights now reflect those changes, the department will take no further action on the transfer application.

If you have any questions, please give me a call.

Sincerely,

SHARLA CURTIS
Senior Water Resource Agent.
