Gentlemen:

On October 2, 1969, I forwarded to you application for changing the point of diversion and place of use of a water right from Camas Creek in Clark County for stock watering purposes, which water right is now owned by Laird & Jones, Inc.

Have not heard from you since forwarding this application to you and am wondering if you received same.

Sincerely,

Gentlemen:

Enclosed you will find a legal notice which we wish to have published once a week for two consecutive weekly issues of your newspaper. We have inserted the publication dates allowing ample time for you to submit us a galley proof for review before publication.

After sending us a galley proof, proceed with the publication on the dates we have inserted assuming the notice is correct. If we have any corrections, we will notify you before the first publication date. If you cannot publish the notice on the proposed dates, please contact us immediately.

An affidavit of publication must be submitted to the Department of Reclamation along with the publication bill. In order to receive payment, the following certification must appear on the bill:

I hereby certify that the foregoing account is just and correct, that the amount claimed is legally due, after allowing all just credits, and that no part of the same has been paid.

Dear Mr. Albaugh:

We have received the application for changing the point of diversion and place of use, submitted by you, in the name of Laird & Jones, Incorporated. We would appreciate having this application submitted on one of our regular forms which we are enclosing. You may return the original application with the watermaster's statement for our records.

A filing fee of \$20.00 must be submitted, which will pay for the advertising that we will send to the paper.

This right is decreed for stock watering purposes and I gather that the intention is to provide watering stations in the various subdivisions as shown on the map.

Very truly yours,

Robert W. Hamilton, Supervisor
of Water Distribution
