Application to Permit No. 96-9231

The Department of Water Resources is seeking written comment and/or recommendations from your agency regarding the above referenced water right application. A copy of the application follows for your reference.

This is to notify you that a water right has been filed, and we assume an encroachment permit will be required. If one has not been issued or applied for, please contact the applicant at the address on the water right application.

This office can publish notice of the application as soon as the initial review is completed; therefore, your prompt response to this request is appreciated. If your agency desires to formally protest the approval of this application, you may do so after the notice is published by filing a written protest along with a \$25.00 filing fee within 10 days after final publication.

You may comment by FAX to 769-1454 or by e-mail to Dianne.Ball@idwr.idaho.gov. Please respond by or before **May 31, 2005**.

We will assume you have no comments, concerns, conditions you want applied, or objections to the issuance of this permit if we do not hear from you by that date.

Please contact this office if you have any questions regarding the application.
