CLAIM TO A WATER RIGHT

Department of Water Resources
Eastern Region

Under the provisions of Section 42-243, *Idaho Code*, any person claiming a water right established by diversion and application of water to beneficial use must file a claim with the Department of Water Resources. **The filing of this claim does not confirm the water right claimed.** Water rights represented by a valid permit, license, decree, or previous claim are exempt from this requirement, as are uses of water for domestic purposes as defined in Section 42-111, *Idaho Code*. A filing fee must be submitted with this claim. See the instruction sheet to determine the appropriate fee.

Notice is hereby given that Andrew B and/or Gina G Griffiths
(Name of Claimant)

AFFIDAVIT OF CORA GRIFFETH PHILLIPS

Cora G. Phillips having been first duly sworn deposes and says: I have first hand knowledge of the matters set forth in this affidavit:

Facts:

My grandfather George Andrew Griffeth Sr. purchased land and an older home located East of Dayton, Idaho in ~~1987~~ ¹⁸⁸⁷. My father George Andrew Griffeth Jr. moved the family into the house on the property sometime before my older sister Florence was born; she was born in 1907. I am not sure who built the house, but father said that he thought it had been built in the late 1850's or early 1860's.

The house was located quite a ways off the North side of the main road past our barn and corrals. I asked Father once why they had built so far off the road. He told me they built there to be close to the spring. The spring was just outside the house on the west side. Father built a spring house next to the spring and Mother would fill crock jars with milk and cream and store in the spring house. We used the spring house much like you would use a fridge now days.

The pictures attached, are pictures of the house ~~has~~ as it stood April 13, 2005.
