Re: Transfer No. 71711, RJ Ball Farms.

Dear Mr. Ball

I am writing this letter to request supplemental information regarding the ownership of the property that pertains to the above referenced transfer. Apparently, there is concern over the authority to file since the water rights are in the name of "Ronald J Ball Sr." and you are "Ronald J Ball Jr., Manager of RJ Ball Farms LTD Partnership." Here are the choices of what could be provided to fix this;

1. A document stating that the Partnership is authorized to make changes to Ronald J Ball Sr.'s water right. And/or,
2. A document that changes the ownership from Ronald J Ball Sr. to the RJ Ball Farms LTD Partnership.

Since the tax notice you provided us show that the property now is owned by RJ Ball Farms LTD Partnership, I assume that a Warranty Deed or other legal document to convey the property from Ronald J Ball Sr. to the Partnership was filed with the County. It is a copy of that document that I believe we require.

It appears that as soon as you can provide me the documentation, we can proceed to advertising.

Please call if have questions.

Sincerely,

W. Roger Warner

Water Right Supervisor – Eastern Region
