4. kwalker 5/24/2005 Permit Review
Comment: Application does not fall within any problem areas. Rt. holder has shares in Deep Creek Irrigation Company so this right will be supplemental to surface water.
Recommend approval.

This morning I spoke on the telephone with Gordon Smith about his 49 shares of water from Deep Creek Irrigation Co. He said that he intends to continue irrigating with surface water and that this permit is intended to be a supplemental supply during drought years.
