Dear Ms. Townsend:

Pursuant to our recent conversation, I have attached a copy of our lease with the State of Idaho that covers land that uses part of the water provided by water rights # 35-0764B, 35-0765, and 35-13069. I have also attached a map which shows the application areas which total up to 773.5 acres as provided in the Directors Report for the SRBA.

Thank you.
