RE: Ownership change request for William/Vera Flint water rights

Dear Ms. Kleven:

Your letter of October 24, 2004 requesting an ownership update for water rights currently in the names of William and Vera Flint is being reviewed. Our database shows two decreed water rights (36-110C and 36-10168) in their names. Copies of the decreed rights are enclosed for your information.

In order for the Department to make the changes you request it will be necessary to have a Notice of Change in Water Right Ownership form submitted with the appropriate support data. There is a \$25.00 filing fee required for each water right. If the ownership of the rights is being split then the fee is \$100.00 per water right. Your letter indicates three beneficiaries of the Flint Trust. If the water rights are shared among the beneficiaries in an undivided interest, then the \$25.00 fee will apply.

I have enclosed an ownership change form for your convenience. Please fill out the form and return it to this office with the required support data and filing fees. If you have any questions regarding this matter, please call me at 208-287-4952.

Sincerely,

Kari Lynn Townsend  
Secretary
