Re: United Water Idaho – Water Bank Rental Application
GP File No. 30-127

Dear Cynthia:

Enclosed please find United Water Idaho Inc.'s Application to Rent Water from the Water Supply Bank. The intent of the application is to rent whatever portion of water right 63-148c South Boise Water Company has leased to the bank.

Because United Water must plan now to meet its anticipated summertime peak demand, I appreciate anything you can do to expedite processing of this application and the application filed by South Boise Water Company to lease portions of right 63-148c to the bank.

If you have any questions, please give me a call.

Sincerely,

John M. Marshall
