Subject: 66119 Shoulder 3 Ranches -- BLM Objection Resolved

Hi Pam,

I got an email from Vicki Kelly this morning about a settlement that the BLM and Shoulder 3 have reached on the BLM's Objection to 45-137, 45-138, and 45-13488. We are to remove the 1.2 acres in the NWNW of Section 35 from the PoU. When I went in to make a Version 2, it told me there was an Active Transfer on this right. It looks like Transfer 66119 was filed to change the point of diversion but is still out there. We need to also delete those 1.2 acres from the Pou in the transfer before approval. Thanks, Jeanie
