RE: Amended Transfer No. 71604

Dear Applicants:

The Department of Water Resources acknowledges receipt of your Amended application as referenced above. This office has scheduled advertising the application in the **North Side News on 6/2 & 6/9/05**. The advertisement will be published for two weeks, and a period of ten calendar days following the second publication will be allowed for the submittal of protests. **(6/20/05)**

As you are aware, the original application was protested. If any protests against the Amended Application are received, you will be sent a copy after the protest period has ended. The protest must be resolved before the application is approved or denied. If the protest is not resolved voluntarily, this Department will conduct a conference and/or hearing on the matter.

State Office personnel will conduct a complete review prior to final processing of the application and will notify you regarding the outcome of this review.

Please feel free to contact this office if you have any questions regarding this procedure.

Sincerely,

Mary A. Baldwin
Administrative Assistant
