Subject: Transfer Application (William & Susan Millenkamp)

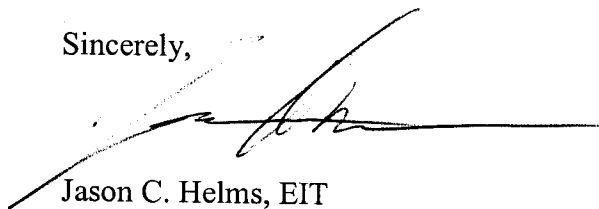

Dear Jeanie:

Attached is the application for a water right transfer prepared on behalf of William & Susan Millenkamp. I have attached an additional Part 3 page with the additional notarized signature of Ms. Millenkamp as required showing her agreement with the proposed changes.

I have also attached a Narrative in Support of Water Right Transfer explicitly describing how the diversion reporting might be configured should both this transfer and pending transfer #71604 be approved. The Millenkamps have no desire to amend and re-advertise the pending transfer since time is of the essence and any unnecessary delays resulting from the increased processing time is undesirable. Surely the administration of the water rights both individually and as a whole will still be manageable as currently structured.

Please begin processing of the enclosed transfer and don't hesitate to let me know if additional information is required.

Sincerely,

Jason C. Helms, EIT
