PROOF ACKNOWLEDGMENT LETTER

Re: Permit No. 67-14495

Dear Permit Holders:

The department acknowledges receipt of the proof of beneficial use form submitted for the above-referenced permit. I understand that a field examination was scheduled to take place by Dan Nelson. He will determine and confirm the use being made of the water, and that it meets the permitted beneficial use. Upon receipt of his Beneficial Use Field Report here at the State Office, the next step in the process of developing a water right is for the department to review the file for issuance of a license.

Be advised that Section 42-248, Idaho Code, requires you or the owner of these water rights to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov

If you have any questions, please contact either the **Western** Regional Office of the department in Boise at (208) 334-2190 or myself at (208)287-4942.

Sincerely,

Deborah J. Gibson
Administrative Assistant
