3. jstanton 4/1/2005 Comment/Analysis

Comment: This application adds a second well to the existing system; the well was drilled last November (see well log in transfer file. This is a routine transfer that is approvable with standard conditions.

Authority To File: The owners of record lost this property to the FHA, and the applicant bought it from FHA; proof of ownership has been submitted.

Water Right Validity: The right was decreed in 2001, so this is not an issue.

Injury To Other Rights: None expected.

Enlargement of Use: None requested. A second well is needed to get the needed water due to declining water levels in the area.

Local Public Interest: No issues identified.

Beneficial Use/Conservation of Water Resources: No issues identified.

Review of the application finds that there is no clear inconsistency with criteria set forth in Sec. 42-222 I. C. preventing processing. At least prior to advertising, no other issues have been identified that would require further review or submittal of additional data by the applicant.

data by the applicant.

4. jstanton 4/1/2005 Legal Notice Remarks

Comment: The application adds a second well to the domestic/stockwater system owned by the applicant; the second well is needed due to declining groundwater levels in the area. The property is located 1 3/4 miles west of Richfield.
