Re: Status of Water District

Dear Water District Member:

Yesterday Rod and Darla Johnson filed an application to lease their decreed right from Campbell Swamp, right no. 78-12131, into the state water supply bank. This step resulted from the February 3, 2003, district meeting.

The department will process the application right away. I will let you know once the decision about the application has been issued.

Sincerely,

Steve Lester
Water Rights Supervisor
