Re: Status of Water District

Dear Water District Member:

Water Right No. 78-12131 for Rod and Darla Johnson was accepted into the Water Supply Bank ("bank") on March 27, 2003. The enclosed letter discusses bank details.

This means Johnsons cannot use the water right during the 2003 irrigation season. The other owners of water rights from Campbell Swamp can continue to use their rights. The water district will remain inactive this year.

I will contact you by the end of this irrigation season to look ahead at the 2004 irrigation season with respect to the status of the water district.

Please contact me at 208-334-2190 if you have any questions or need more information.

Sincerely,

Steve Lester
Water Rights Supervisor
