Dear Ms. Robertson,

As per our phone conversation of November 12, 2004 I have enclosed a "Change In Address" form to correct the address for our water rights.

Also enclosed is an application for a transfer of water right to add the additional acres/pen space we have added to our feedlot since 1987. As per the fee schedule I am enclosing a check for \$250.00. If you need any further information please feel free to contact me at the above numbers or by email at dschenk@schenkfeedlot.com.

Thank you,

Dallan Schenk
