THERE IS NO WARRANTY GIVEN AS TO FITNESS FOR ANY PARTICULAR PURPOSE OR AS TO MERCHANTABILITY. ALL PROPERTY IS SOLD AS IS.

7. Default.

A. Time and prompt performance of each and every term of this Contract of Sale and the Related Documents is material and of the essence of this Contract of Sale. Every term is material. Performance means compliance that is full and to the letter of this Contract of Sale and the Related Documents. Substantial compliance will not be sufficient. Performance by Buyer is a condition precedent to performance by Seller.

B. The following or any of them constitute an event of default under the terms of this Contract of Sale:

i. If Buyer shall fail to make payment of the amounts set forth herein or to perform any other term, covenant or condition of this Contract of Sale or the Related Documents.

ii. If Buyer shall commit any act of bankruptcy or be adjudged bankrupt or insolvent as defined by the federal bankruptcy laws, or shall suffer the continuance of any bankruptcy or insolvency proceedings under any law for a period in excess of thirty (30) days, shall make an assignment for the benefit of creditors or apply for, consent to, or suffer the appointment of a receiver, trustee, or liquidator of his business or of all or a major portion of his assets, or should any governmental agency or court of competent jurisdiction assume custody or control of any substantial part of his assets, Seller at his option may declare such event a breach and a default.

C. Upon the occurrence of an event of default, and the failure, neglect or refusal of Buyer to cure the same following thirty (30) days written notice of default sent from Seller to Buyer in the manner specified herein, which notice shall specify Buyer's default, without further notice to Buyer, Seller shall be entitled to effectuate such rights and remedies against Buyer as are then available to Seller under the terms of this Contract of Sale, and the Mortgage and Security Agreement referred to herein and the laws of the State of Idaho, including without limitation, the following remedies:

i. Declare all obligations of Buyer under the terms of this Contract of Sale and the Related Documents immediately due and payable in full and proceed with any actions authorized by the laws of the State of Idaho to collect any and all amounts due and owing by Buyer to Seller and enforce all obligations of Buyer to Seller.

ii. Bring any action authorized under the laws of the State of Idaho to judicially foreclose on the Mortgage referred to herein.

iii. Exercise all rights of a Secured Party under the Idaho Uniform Commercial Code, including but not limited to those rights specified in the Mortgage and Security Agreement.

D. The remedies provided in this Contract of Sale are cumulative and the exercise of any remedy by Seller shall not be exclusive of the right to effect any other remedy allowed Seller under the terms of this Contract of Sale or by law or equity.

E. The notice of default required to be given by Seller to Buyer in the event of Buyer's failure or neglect to perform the terms, covenants, or conditions of this Contract of Sale or any Related Document, shall be given as provided herein.

F. If Seller elects to hire an attorney to prepare the notice of default, Buyer shall pay, in addition to any sums required to be paid to cure said default or in addition to any other performance required by Buyer to cure said default, the costs of preparation of said default notice and said default shall not be cured until said costs are paid. The notice of default shall specify the amount of said costs.

8. Enforcement. Should either party default in the performance of any of the covenants or agreements contained herein, such defaulting party shall pay to the other party all costs and expenses, including, but not limited to, a reasonable attorney's fee, including such fees on appeal, which the offended party may incur in enforcing this Contract of Sale or in pursuing any remedy allowed by law for breach hereof, whether such is incurred by the filing of suit or otherwise.

9. Title Insurance. Seller agrees at the time of the execution of this Contract of Sale to provide to Buyer at Seller's cost a standard form purchaser's title insurance policy in the amount of \$1,580,000 insuring title to the real property described herein in Buyer, free and clear of any lien or encumbrance, excepting any lien or encumbrance to which this Contract of Sale is expressly made subject, and excepting any lien or encumbrance that may have attached by reason of any act, deed or omission of said Buyer, and excepting the usual printed exceptions contained in such policies of title insurance, and taxes and assessments for the current year, easements and rights of way of public record and the rights of Buyer under the terms of this Contract of Sale.

10. Binding Effect. This Contract of Sale shall be binding upon and inure to the benefit of the heirs, personal representatives, administrators, successors and assigns of the parties hereto.

11. Survival of Terms. The terms and provisions of this Contract of Sale shall survive the closing and the execution and delivery of instruments of transfer and conveyance. The terms of this Contract of Sale shall not be merged out by the execution and delivery of the instruments of transfer and conveyance.

12. Waiver. A waiver of any default or breach of any term of this Contract of Sale shall not be deemed to be a waiver of any simultaneous or subsequent breach of the same or any other term of this Contract of Sale. All waivers must be in writing and must be signed by Seller. No failure or delay of Seller to exercise any right or remedy hereunder shall operate as a waiver.

13. Attorneys. The law firm of Holden, Kidwell, Hahn & Crapo, P.L.L.C., drafters of this Agreement, have acted as attorneys for Seller and have not advised Buyer in regard to this Agreement.

14. Integration of Agreement. The terms of this Contract of Sale may vary from the terms contained in any earnest money agreement or any other preliminary agreements made prior to the execution of this Contract of Sale and may vary from any negotiations between the parties prior to the execution of this Contract of Sale. The terms, covenants and conditions of this Contract of Sale shall supersede all such prior negotiations and agreements. There are no verbal promises, implied promises, agreements, stipulations, representations or warranties of any kind or nature, excepting those set forth in this Contract of Sale and the Related Documents. This Contract of Sale and the Related Documents shall be and are the final expression of the agreement of the parties and shall control. No modification of this Contract of Sale or the related documents shall be valid unless in writing and executed by the parties to this agreement.

15. Severance and Validity. If any provision of this Contract of Sale or any provision of any Related Document shall be determined by any Court of competent jurisdiction to be invalid, void, or otherwise unenforceable, the remaining provisions, shall remain in full force and effect, and shall not be affected, impaired or invalidated thereby. It is agreed that such remaining provisions shall be construed in a manner most closely approximating the intention of the parties with respect to the invalid, void or unenforceable provision or part thereof.

16. Related Documents. References to the Related Documents are to the Promissory Note, the Mortgage and Security Agreement, the UCC-1 Financing Statements,

the Guaranty, the Bill of Sale, and the Grant Deed. The Related Documents shall be in the form attached hereto unless the parties agree otherwise.

19. Irrigation Well. The purchase hereunder includes the irrigation well in the Northeast Quarter, Section 6, Township 9 North, Range 37 E.B.M., including a Cat 379,600 hp diesel motor, right angle drive, motor, pump, bowls, and related equipment. Buyer shall be responsible for all costs of transfer. Upon such prepayment, Seller shall deed to Buyer by Grant Deed water rights associated with such well.

20. Use of Property. During the term of the Contract of Sale, Buyer's use of the property shall be subject to the following conditions:

If Buyer fails to do so, Seller may take such actions as may be reasonably required, and upon demand, being made, Seller shall be entitled to repayment by Buyer of all sums expended by Seller for such purposes including attorney fees and expenses, and with interest thereon at twelve percent (12%) per annum until paid, and all such sums shall be immediately due and payable and shall be secured hereby.
