RE: Approved Transfer No. 71048 – Water Rights 63-4175 and 63-4176

Dear Mr. Spackman:

The above referenced transfer was approved on April 26, 2004 with conditions. Those conditions were to have been met within one year of the date of the approval notice. Unfortunately, a jurisdictional dispute between the city of Meridian and Boise over sewer service has delayed all progress on this property. Until this dispute is resolved, I am unable to accomplish the change I sought in the transfer. With this letter, I would like to request an extension of time. I am not clear when the dispute will be resolved, so I would like to request a 5-year extension if possible.

Thank you for your consideration.

Regards,

Bradford Shaw
