RE: Filing for a Claim to a Water Right

Dear Mr. and Mrs. Wilson:

We are returning your form for a Claim to a Water Right as it is not acceptable as received.

✓ **Regarding Item 1** - Did the use of the water from Priest Lake actually begin in December of 1959? If so then the Priority date should be listed as December 1959. If the usage began at a different time from that, the priority date should be entered as of the date the usage began.

✓ **Regarding Item 2** - Priest Lake is tributary to Priest River

✓ **Regarding Item 3** - Period of use for domestic use is from January 1 to December 31, or 1/1 to 12/31.

✓ There is a \$100.00 fee required for filing a Claim to a Water Right for domestic use. See instruction sheet enclosed for your reference.

When you have complete the form as required, please return it to our office together with the required fee, and we will process your Claim. It will be advertised in the Priest River Times and you will be notified of the time of the publication.

If you have any questions, please call our office.

Sincerely,

Robert G. Haynes
