1. kwalker 4/26/2005 Points of Diversion

Comment: Application stated two wells would be used for this community system. Region only entered 1 well when they data entered application. Have added the second point of diversion per application form.

2. kwalker 4/26/2005 Permit Review

Comment: Application falls within ESRPA, Trust Water area, Bonneville Jefferson GW Dist. and East Msmt. Dist.

Pursuant to a phone conversation with Jim Benard on 3/15/05: The subdivision will use canal water from Harrison Canal & Irrig. Company and/or Rudy Irrigation Canal Company for irrigation purposes prior to using the well for irrigation.

Recommend approval with appropriate conditions.
