1. kwalker 4/14/2005 Diversion

Comment: Application states there will be 2 wells for this subdivision. I have added the second well to the proposed permit within the same 10 acre tract. Recommend we show 2 points of diversion as shown in their description of diverting works.

2. kwalker 4/20/2005 Permit Review

Comment: Application falls within the ESRPA, Trust Water Area and East Msmt. District. Application was protested and in resolution of the protest special conditions were suggested and incorporated into the proposed permit. Recommend approval.
