RE: Permit 37-21355

Dear Applicants:

We are in the process of reviewing the above referenced application for permit and find that we need additional information from you before we can proceed. We need to have a copy of the Order, issued by Blaine County, establishing the Water and Sewer District. This Order is needed so we can verify that the water and sewer district is authorized to do business in Idaho as a municipal provider.

The Department will hold further processing of this application for permit for 30 days to allow submittal of the required information. Additional time may be granted by the Department upon receipt of a written request and sufficient justification for an extension. After that time, if adequate information is not received, the Department will issue a preliminary order to reject or deny the application.

If you have any questions in regard to this matter, please do not hesitate to contact me at (208)287-4953.

Sincerely,

KAY WALKER
Sr. Water Resource Agent
