Re: Application for Transfer No. 5404 (45-02693, 45-02713)

Dear Applicant(s):

The Department of Water Resources acknowledges receipt of your Application for Transfer.

This office has scheduled advertising the application in the Times News for 3/4 and 3/11/99. The advertisement will be published for two weeks, and a period of ten days following the second publication will be allowed for the submittal of protests.

If an application is protested, you will be sent a copy of the protest. The protest must be resolved before the application is approved or denied. If the protest is not resolved voluntarily, this Department will conduct a conference and/or hearing on the matter.

The department's review process may have to include field investigation and verification of the claims which is required as part of the Snake River Basin Adjudication.

Before we can forward your application to our state office for approval, we must include in the file a notarized statement from any lien holder on the property agreeing to the proposed change.

State Office personnel will conduct a complete review prior to final processing of the application and will notify you of the outcome of this review.

Please feel free to contact this office if you have any questions regarding this procedure.

Very truly yours,

James E. Stanton
Sr. Water Resource Agent
