

MEMORANDUM

Date: April 08, 2005
To: Water Right File 67-7293
From: eretelle
Re: second amendment

During further review of the permit for licensing, it was noticed that an error was made on the signed Application for Amendment form received March 30th. The error is in the legal descriptions of the points of diversion. I sent a new Application for Amendment form with the correct PoDs. I returned the signed Application for Amendment to the applicant. It will be replaced by the corrected amendment after it is signed and returned.
