WATER RIGHT NO. 72-4089
As Modified by Transfer No. 71446

CONDITIONS OF APPROVAL

4. Diversion of groundwater is limited to those times water is available for diversion under this right and priority from the Salmon River.
5. The quantity of water under this right for stockwater shall not exceed 13,000 gallons per day.
6. The quantity of water decreed for stockwater is not a determination of historical beneficial use.
7. The appropriator is entitled to the quantity of water described for stock water purposes at a point of measurement where the delivery ditch enters the place of use described, so long as the quantity diverted at the point of diversion does not constitute unreasonable waste.
8. Prior to diversion of water under this approval, the right holder shall provide a means of measurement acceptable to the Department from all authorized points of diversion which will allow determination of the total rate of diversion.
9. After specific notification by the Department, the right holder shall record the quantity of water diverted or shall enter into an agreement with the Department to determine the amount of water diverted from power records and shall annually report the information to the Department.
10. Right holder shall comply with the drilling permit requirements of Section 42-235, Idaho Code and applicable Well Construction Rules of the Department.
11. Prior to the diversion and use of water under this approval, the right holder shall comply with all fish screening requirements of the Idaho Department of Fish and Game.
12. Right No. 72-7170 is also diverted through the points of diversion described above.
13. Pursuant to Section 42-1412(6), Idaho Code, this water right is subject to such general provisions necessary for the definition of the rights or for the efficient administration of water rights as may be determined by the Snake River Basin Adjudication court at a point in time no later than the entry of the final unified decree.
14. The right holder shall accomplish the change authorized by this transfer within one year of the date of this approval.
15. Failure of the right holder to comply with the conditions of this transfer is cause for the Director to rescind approval of the transfer.

This water right is subject to all prior water rights and shall be administered in accordance with Idaho law and applicable rules of the Department of Water Resources.
