Re: phone call & fees

Ida Widener of Sagerock Ranch (549-3595) called today to ask about the fees associated with licensing these water rights.

I told her the extra exam fee of \$125, the late fee of \$25 in Beneficial Use Rule 50.01.c and \$100 for the 2 amendments.

The permit holder of record is HJH Co., who we have been unable to reach. The rights are claimed in the SRBA so do not require an ownership change fee.
