RE: Phone call from the permit holder

This afternoon I spoke on the telephone with Eileen Chambers, the holder of Permit 29-8047. She called to request that IDWR expedite the issuance of her water right license. I explained to her that IDWR is focusing on the issuance of licenses for permits claimed in the SRBA, but I told her that I would see if we could issue her license within the next month or so.

If we have questions, Mrs. Chambers can be reached at home at 208-648-7347 or on her cell phone at 208-241-6420. Mike Chambers can be reached at 208-241-6419.
