PROPOSED CHANGE OF WATER RIGHT

Lance Hess, PO Box 732A, Lake Fork, Idaho 83635 filed application no. 71687 with IDWR to transfer a water right with a 1903 priority date from Lake Fork Creek totaling 0.19 cfs. The transfers proposes to convert 10.5 acres of irrigated ground into recreation storage ponds being constructed on the same lands, and continue to divert the appurtenant surface water into the ponds for evaporative or consumptive losses. Permit 65-22928 was filed for the storage of shallow ground water that will initially fill these ponds, and allow storage during the non-irrigation season. The water will continue to be delivered through the Mahala Ditch without an alteration to the point of diversion or delivery system. The property is located a half mile south of Maki Lane on the east side of the Highway 55 in Valley County.

For specific details regarding the application, please contact IDWR Western Region at 208-334-2190 or visit www.idwr.state.id.us with detail provided under "new water right applications". Protests may be submitted based on the criteria of Sec 42-222, Idaho Code. Any protest against the proposed change must be filed with the Department of Water Resources, Western Region, 2735 Airport Wy, Boise ID 83705-5082 together with a protest fee of \$25.00 for each application on or before April 25, 2005. The protestant must also send a copy of the protest to the applicant.
