

MEMORANDUM

Date: February 17, 2005
To: Water Right File 75-7433
From: Shelley Keen *SK*
Re: Licensing Review

PLACE OF USE

Using ArcView GIS I found the 14 irrigated acres to be distributed slightly differently than recommended by the field examiner. The place of use on the license will be based on the GIS shape file.

AMENDMENT

An amendment is necessary to add a second point of diversion within Lot 12 (SENE) of Section 6, T21N, R22E.
