RE: Water Rights 72-201H

Dear Mr. Peppersack:

I reviewed the water right change of ownership documents you recently changed for us and I appreciate your getting these done.

The only change that I think needs to be made is on water right 72-201H, under Remarks:
1. Explanatory, the "property is also known as Lot 3", this should read Lots 5-9 and Lots 11-13.

I noted this on my letter sent in November, which was sent with the packet for the change in ownership on our water rights.

I have enclosed a copy of the Adjudication Claim Report dated 01/31/2002 that shows on the second page the place of use also known as Lots 5-9, 11-13 Pine Creek Subdivision.

If you have any questions, you can reach me by phone or email, provided above.

Thank you,

Melodie L. Baker
