

MEMORANDUM

DATE: March 29, 2005
TO: FILE 85-7240
FROM: KARI LYNN TOWNSEND
RE: DATA ENTRY ERROR

A change of ownership was requested and processed for this water right before I realized that there was a pending action in AJ.

The original ownership change request was removed from the water right file and given to Sally Sherman (AJ) for correct processing.

The filing fee that was paid will be refunded upon completion of the ownership change in AJ.
