Dear Mr. Fewell,

I have received your request for the extension of response time associated with permit 22-07815. In light of your having been away, IDWR will allow another 30 days for you to respond. If I have not received communication from you within that time, IDWR will issue the license without authorization for the pond. If you need more time, it will be necessary to request an extension again with an explanation of the reason for the delay.

I'm sorry about any confusion caused by my e-mail address changing. IDWR has moved into a new building, and there are a lot of changes around here!

If you have any questions, don't hesitate to call me at (208) 287-4949, or e-mail me at erin.retelle@idwr.idaho.gov.

Thank you,

Erin Retelle
Water Resource Agent

With this e-mail I am requesting an extension of the 30 days response requirement associated with your letter dated 16-Sept-04. I, Tom Fewell, President-PV/SB HOA, have been on travel for the past month. The issue of the pond was never discussed with us at the time of the original application. These were discussions with Ryan Urbanac and Dennis Dunn of your local office.

Thank-you,

Tom Fewell
