Subject: Rex Lanham Water Right No. 65-2237

Dear Erin,

I have attached a letter to you concerning the Rex Lanham Water Right. He is planning to use a tractor driven pump this next season and is seeking permission to wave the requirement of a locking device for the system. I hope the logic that I express in my letter is satisfactory for the situation and will allow Mr. Lanham to proceed.

Thank you for your consideration with this matter. Ron Shurtleff, WD 65
