RE: Penny J. Ogden and Roger Kent Ogden Estate
Petition to Reinstate Permit No. 74-07175

Dear Sirs:

In June 1990 Penny J. Ogden, individually and as personal representative of the estate of Roger Kent Ogden, submitted a petition to the Idaho Department of Water Resources to reinstate Permit No. 74-07175 supported by the affidavit of Frank Hays and Penny Ogden. After we submitted the petition, in July 1990 I received a call from an examiner at your department who indicated that the petition to reinstate had been granted. However, since that time, I have not received any official communications from the Department pertaining to the granting of the Ogden petition for reinstatement on this permit. I would appreciate it if you would review your file and send me the appropriate document indicating that our petition has been granted so that I can tie up all the loose ends.

Thank you for your consideration.

Sincerely,

Curt R. Thomsen
