Describe the reason for the proposed changes
Application filed to supply water to a calf raising operation and domestic residences. The calf raising operation is being expanded and the application will provide additional water for this expansion. In addition, two existing wells will be described as authorized points of diversion for all of the rights used in this system. Domestic use is for culinary (in house) use for five homes. Commercial water use is for mixing of calf milk and washing bottles.

4. FOR CHANGES IN NATURE OF USE ONLY

A. Describe the expected quantity of the return flows and location of discharge after the proposed Change Minimal amount of wastewater is ponded in a lagoon and then evaporates

B. Describe the effects on other water uses resulting from the proposed change None anticipated
