1. kwalker 11/9/2004 License Review

Comment: Reviewed permit for licensing. Needs licensing amendment to add pd & pu located in NWSE, S31. Per Skip Jones contact should be made with Chase Rich in Pocatello at 208-233-9622. Need to obtain mailing address to send correspondence.

2. kwalker 11/29/2004 Points of Diversion

Comment: After reviewing license for this right, sent to Skip Jones for review. He was agreeable to the license but had GPSd the points of diversion and sent me a file which contained the points. I recommend we use the points Skip found during SRBA review rather than as shown on field exam.

3. kwalker 3/10/2005 License

Comment: Pursuant to Rule 760 of Rules of Procedure (IDAPA 37.01.01.760), IDWR can change the final order of this license before 3/17/2005. The right holder requested we remove the 2nd condition on the license issued on 2/3/2005. We have made this change to the license and routing to admin. for signature.
