RE: Telephone conversation

=====

On January 8, 1999 the postoffice returned the letter of 12-31-98.

After some investigation, I found that Thousand Springs Trout Farms was now owned by:

Clear Springs Foods
PO BOX 712
Buhl, ID 83316-0712

Telephone 208-543-4316

I spoke with Tim Hanifen at Clear Springs Foods and told him that I would send Assignment of Permit forms for each of the permits listed above when I resent the mail that had been returned by the postoffice.
