I, Karl J. Dreher, of the Department of Water Resources hereby approve the
above Application for Amendment for Permit No. 27-07013 with the following:

CONDITIONS OF APPROVAL

1. Measuring devices of a type approved by the department shall be maintained at such locations as necessary to measure the total quantity of water diverted and the total quantity of water returned to the Snake River after being used.
2. Some of the water use authorized by this right is claimed with an earlier priority date on Snake River Basin Adjudication Claim No. 27-4001A. If Claim 27-4001A is decreed as it is claimed, this right shall be diminished by the amount necessary to avoid any redundancy of water rights.
