Dear Mr. and Mrs. Weber:

We are returning your Claim to a Water Right because there are some corrections that need to be made before we can process it.

The Point of Diversion (POD) and the Place of Use (POU) should be listed as the **NESE of Township 40N** instead of Township 41N. [Reference items 5.A) and **6A)**]

We have noted in pencil where the corrections should be made in both Item 5.A) and item 6.A).

Please note that the letter "**D**" should appear in the quarter/quarter of the section where the home is located, and we have penciled in that letter where you need to enter that in ink, as we have penciled in the quarter/quarter section and the Township number in both items 5.A) and 6.A) for your reference. Those also need to be completed in ink.

We have printed off a new map and have marked on it where we believe your house to be located.

If you have any questions, please call Mr. Bob Haynes at our office, 208-769-1450.

For your records, we are enclosing receipt No. N016419 for your filing fee.

When you have made these corrections, please return the papers to us in the self-addressed envelope enclosed for your convenience.

Thank you,

Sincerely,

A handwritten signature in cursive script that reads "Dianne Ball".
