RE: Vickroy-Lee Water Dispute

Dear Bob:

Enclosed is a letter I received from Eric Peterson, who is representing Mr. Lee in this matter.

I had sent you a copy of an earlier letter addressed to Mr. Robert A. Lee, addressing the water problem and to date, nothing has been resolved.

Mr. Vickroy has a current water right, but the water is being impounded by Mr. Lee. Any advice or assistance you could render in this matter would be greatly appreciated.

Thank you for your assistance.

Very truly yours,

Michael P. Wasko
