PROOF ACKNOWLEDGEMENT LETTER

RE: PERMIT NO. 29-8226

Dear Permit Holder:

The department acknowledges receipt of the proof of beneficial use form submitted for the above referenced permit.

Enclosed is an order reinstating the permit since proof was submitted more than 60 days after the lapse notice was issued. Please note that the priority date has been advanced to **January 24, 2005**, the date the proof and license examination fee were submitted to the department, as provided in Section 42-218a(2), Idaho Code.

Be advised that Section 42-248, Idaho Code, requires you or the owner of these water rights to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office.

The next step in the process of developing a water right is for the department to conduct a field examination to determine and confirm the use being made of the water. If you have questions concerning the field examination, please contact the **Eastern** Regional Office of the department in Idaho Falls at (208) 525-7161.

Sincerely,

Deborah Gibson
Administrative Assistant
