PROOF ACKNOWLEDGMENT LETTER

RE: PERMIT NO. 34-7595

Dear Permit Holder:

The department acknowledges receipt of the proof of beneficial use form submitted for the above referenced permit. The next step in the process of developing a water right is for the department to contact you to schedule a field examination to determine and confirm the use being made of the water, and that it meets the permitted beneficial use.

I have processed the Assignment of Permit for this water right permit, and the department records now reflect the change as reflected in the mailing address of this letter. Be advised that Section 42-248, Idaho Code requires you or the owner of this water right to maintain current ownership and address records on file with the department.

If you have questions regarding the proof or the assignment of permit, please contact me at (208) 287-4942. Any questions concerning the field examination, please contact the **Southern** Regional Office of the department in Twin Falls at (208) 736-3033.

Sincerely,

Deborah J. Gibson
