Dear Jeff:

Under cover of this letter, I submit the Beneficial Use Field Licensing Report and Proof of Beneficial Use form for the City of Meridian's water right Permit No. 63-12560 associated with the City's #21 municipal supply well. The following documents are attached and should be considered part of the report:

- 1) Location map of the point of diversion (USGS topographic series base map).
- 2) Map of the City of Meridian water supply service area with well locations.
- 3) Six page field report form.
- 4) Photographs of the water distribution plumbing and pump house.
- 5) Installed pump performance curve.
- 6) Photographs of flow and pressure measurement instruments.
- 7) Hydrograph of a constant-discharge flow test of the #21 well on August 9th, 2000.
- 8) Flow-meter installation specifications.
- 9) The approved water right Permit No. 63-12560.
- 10) This cover letter.

In addition to the recommendations of the field report, I have reviewed the Permit's conditions to find that no changes are required.

Please call me directly at (208) 342-8369 with any questions that you, or your staff, may have concerning this submittal. Thank-you.

Respectfully,

Ed Squires CWRE No. 05-126
