Comment: Domestic use is for 1 home.

2. kwalker 3/25/2004 Application Review

Comment: In review of this application I noticed that the place of use was already covered by License 95-9062. While preparing a letter to the applicant she called the office and we discussed the reason for the new application. Mrs. Tufford stated that Rocky Water Co-op has been dissolved. The Tubbs have drilled their own well and no longer access the well on the Tufford property. The well is still used by the Glackins who now pay 1/2 the cost of power and maintenance. The Tuffords attorney, Raleigh Watson, of Coeur d Alene, and Bob Haynes advised the Tuffords to file on their own use of the well since the well agreement did not cover any right of way agreements. We will go ahead and issue the permit to Tuffords, however, during licensing of this permit we need to include a condition limiting the use when combined with 95-9062. See that file for the history of the problems concerning the well agreement that was made for the 3 lots to utilize the well.

3. kwalker 3/25/2004 address change

Comment: While talking with Mrs. Tufford this afternoon she requested that we change their mailing address to: PO Box 504, Rathdrum. I told Mrs. Tufford that we cannot make the change without a written request.
