

MEMORANDUM

DATE: March 26, 2002
TO: File 86-10184
FROM: KARI LYNN TOWNSEND
RE: Telephone Conversation

I received a telephone call today from Mrs. Joan Stout in response to my letter of 3-6-02.

Mrs. Stout said that all the documentation they have regarding this property shows it to be in Township 36N. The decree shows the property in T37N.

I told her I would discuss this with Jeff Peppersack but in all probability we would be sending her our letter regarding partial decree discrepancies.
