RE: Change in Ownership for Water Right No. 51-10053

Dear Ms. Morris:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

X **Evidence of Water Right Ownership:** copy of Warranty Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question. *[In order to remove the name of Richard Morris from ownership of this water right, you must submit evidence to our office that he is no longer the owner. This evidence will most likely be in the form of a Quit Claim Deed. If you have any questions regarding this requirement, please feel free to contact our office.]*

X **Legal Description of Property** [should be included on the Deed]

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information **within 30 days** we will return your notice and all attachments and your notice will not be processed.

Please note that water right owners are required to report any change in water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's homepage (<http://www.idwr.state.id.us>) on the Internet to obtain the proper forms and instructions.

If you have any questions regarding this matter, please call Kari Lynn Townsend at 208-287-4952.

Sincerely,

Kandice McDermott
