CONDITIONS OF APPROVAL

1. Use of water under this right is subject to control by the watermaster of State Water District No. 01.
2. The right holder shall maintain a measuring device and lockable controlling works of a type approved by the Department in a manner that will provide the watermaster suitable control of the diversion.
3. The use of water under this right shall not give rise to any claim against the holder of a senior water right based upon the theories of forfeiture, abandonment, adverse possession, waiver, equitable estoppel, estoppel by laches or customary preference.
4. Use of water under this right shall be non-consumptive.
5. Under this right, the right holder shall not impound greater than 0.2 af of water at any one time.

State of Idaho
Department of Water Resources
Water Right License

WATER RIGHT NO. 22-07713

This license is issued pursuant to the provisions of Section 42-219, Idaho Code. The water right confirmed by this license is subject to all prior water rights and shall be used in accordance with Idaho law and applicable rules of the Department of Water Resources.

Signed and sealed this 20th day of September, 2004.

for KARL J. DREHER
Director
